

Dual Enrollment Information

Any student residing in Pennsylvania who is enrolled in a School District, Career Technical Education Center, Charter School, Nonpublic School, Private School, or Home Education Program is permitted to enroll in Dual Enrollment Courses offered by the student's school district of residence provided that all of the following requirements are met:

1. The student meets the qualifications set forth in the school district's Concurrent Enrollment Agreement
2. The Charter School, Nonpublic School, Private School, or Home Education Program agrees to award secondary credit for the successful completion of the Dual Enrollment Course and
3. The student notifies the school district of residence of the intent to enroll in the Dual Enrollment program prior to the application being submitted for state funding.

The application for submission deadline is February 15, 2008. For further information regarding Leechburg Area School District's involvement in Dual Enrollment courses, contact Mr.. Matthew Kruluts (K-12 Assistant Principal) or Ms. Kelly Sadler (Guidance Counselor).
