

KEYSTONE EXAM TESTING

The Testing Window for the administration of the Keystone Exams is January 8, 2015 through January 15, 2015. Students who did not score at the Proficient or Advanced range on previous assessments will be required to take this assessment again. Earning at least a Proficient score on this assessment is one of the requirements towards graduation. Below is the schedule for the test administration.

January 8 – Algebra Module 1
January 9 – Biology Module 1
January 13 – Literature Module 1
January 14 – Algebra Module 2
January 15 – Biology – Module 2
January 16 – Literature Module 2
